Amity + Kett Architecture
and Interior Design

Amity + Kett Architecture and Interior Design has joined San Antonio's emerging design district. Architect Dianne Kett and interior designer Amity Worrel specialize in residential design and will begin a series of informative and entertaining talks in 2018. The first topic on January 25, "Revealed: Secrets of how to work with architects, interior designers & custom builders," will provide insight into the distinct differences of these services, how they often overlap and ways to make the most out of their time and expertise for the best outcome and experience. Reservations required. www.amitykett.com

AIA Names Tiffany Robinson Long Rising Star

Tiffany Robinson Long, AIA, ACHA, RID, EDAC, NCARB, LEED AP, Associate Partner at Marmon Mok Architecture, was recently certified by the American College of Healthcare Architects, making her one of three and the only woman in San Antonio with the accreditation.
