ON THE SIDE

With a brass rim and ferrules, a shelf, and a large drawer, the Austell side table designed by Suzanne Kasler for Hickory Chair pairs the company's signature classic craftsmanship with thoughtful details and functionality. Choose a wood or white onyx top and then customize it with the perfect combination of finishes to make it look right at home in your space. Available through A. Hoke Ltd. / to the trade / www.ahokelimited.com

SHUT EYE

This charming bedding is the result of a partnership between two local forces: interior designer Holly Phillips of The English Room and Leigh Goodwyn of LeighDeux, the bedding and soft goods company tailored toward dorms and small bedroom spaces. Designed and manufactured in the Carolinas, the eclectic collection Bright Eyes & Bushy Tails includes three original designs in four colorways. Whimsical and bold with mix-and-match patterns, whatever your bedroom needs—bed skirts, bean bag cubes, duvets, floor pillows—you name it, you'll find it. Available through LeighDeux / Starting at \$39 / www.leighdeux.com

PITCHER PERFECT

Made from hand-blown glass, these carafes double as beautiful objets d'art. Keep one on your nightstand, and you'll never have to head to the kitchen to quench your thirst in the middle of the night. Each carafe holds more than five cups and is available in four colorways. Available through Anna Karlin / \$210 each / www.annakarlin.com

BASKET CASE

Keep spare bedding or laundry in the Lucca basket by Palecek. With cut-out handles and a powder-coated aluminum frame, this stylish piece can stand up to heavy use. The basket's hand-woven, all-weather synthetic wicker makes it suitable for the outdoors, too. So pick up one in cream for your bedroom and a second in espresso to keep towels handy poolside. Available through Candelabra / \$748 / www.shopcandelabra.com

VANITY FAIR

This feminine-meets-modern vanity might make you want to consider adding a powder room—just to give it a home. Layers of scalloped detailing create a playful or even beachy vibe. Choose from nineteen high-lacquer colors, including parakeet shown here, or request a custom color for your space. Available in three widths; length is customized in two-inch increments to suit almost any space. Available through Oomph / \$2,450 / www.oomphhome.com

TOWEL TALK

Wrap up in style with these one hundred percent cotton Seville bath linens from Matouk. Made in Portugal, the bath towels, hand towels, washcloths, bath sheets, and tub mats have a stylish braid pattern and colors inspired by painted villas in southern Europe. Available at Charlotte's / Starting at \$9 / www.charlottesinc.com

PATTERN MAKER

While subway tile is always a good idea, you may want to opt for a more intricate design for your walls. Cue Young Huh's Essence collection for AKDO. The stone and waterjet glass mosaic tile collection, including the Whimsy shown here in Fog, will give your bathroom walls a subtle, graphic look. Delicate, with a global aesthetic, the tiles are made-to-order and lend a traveled, timeless feel. Available through Triangle Tile & Stone / Starting at \$99.46 per square foot / www.triangletile.com

SQUARED AWAY

Natural texture meets a sleek design aesthetic in the Amala waste bin from Bunny Williams Home. Hand-crafted from bone in a simple geometric pattern, it's a chic, neutral addition to any bath or powder room. Add the coordinating tray, tissue box cover, and candle safe for a matched look. Available through Bunny Williams Home / \$565 / www.bunnywilliamshome.com

ROUNDABOUT

The Allen semi-circle drawer pull hints at the jewelry roots of its designer, Addison Weeks. The perfect piece of jewelry for your vanity, it'll add texture and contemporary styling to your bath. Sold as a pair—just like your favorite pair of earrings—each piece is handmade with the finish applied over solid brass and coated in lacquer to prevent fingerprints and tarnishing. *Available through Addison Weeks / \$176 / www.addisonweeks.com*

BE SEATED

Designed to be used in small spaces with a nod to the mid-century modern aesthetic, the lightweight Beetle backless stool is equally at home at a restaurant bar or pulled up to your kitchen counter. Choose metal legs in black, black chrome, or brass, plus a variety of fabric and leather upholstery options. *Available through Property Furniture / \$1,040 / www.propertyfurniture.com*

STOW AWAY

Waterworks has brought style and impeccable craftsmanship to homes and commercial spaces for more than forty years. Their one-of-a-kind collections are simple and effortlessly stylish. Witness the Bridle cabinetry collection, which draws inspiration from vintage luggage, antique car trunks, and plank doors, resulting in distinctive wood paneling and hardware with metal strapping. Best of all, it's supremely customizable with eight wood finishes, twenty-four paint colors, and seven metal finishes. *Available at Bird Decorative Hardware & Bath / Price upon request / www.birddecorativehardware.com*

RISE & SHINE

The Ionic collection from L'OBJET gives the classic French press a style update. With its fluted vertical design in brilliant white Limoges porcelain inspired by classical architecture, a brass handle, and top accented in gold, you'll want to set the alarm clock an hour early—there's no doubt you'll want to linger over your morning coffee. *Available through Quintessentials / \$276 / www.shopquintessentials.com*
