BLUE *CRUSH*

AN IMMERSION OF AQUA OFFERS A SPLASH OF SERENITY.

PRODUCED BY
ASHLEY HOTHAM COX

WRITTEN BY
CHRISTINA SPRATT SPENCER

Like a glistening ray of sunshine caught in the still, calm, quiet beneath lucid waves, where a seawater green glow gently muddles with crystal-clear blue, this revitalizing hue is an amiable blend of buoyant and balmy. The deep sigh brought by a refreshing reprieve of restorative balance while simultaneously an enlivening breath, it is invigoratingly light and airy yet harmoniously grounding. Aqua is a congenial accent, pacifyingly paired with plum, sage, or persimmon, reposeful with dove gray, inky navy, and alabaster, and contentedly coupled with emboldened chartreuse or raspberry tones.

A residential project by Kelly Wearstler in Austin, Texas.
